September 18 | Noon-1:00pm | English Lutheran Church, La Crosse

The public's confidence in elections is on the decline. Scholars, watchdog agencies, and politicians are increasingly raising concerns about American elections. Is the system of elections in crisis? In this presentation, Anthony Chergosky, Assistant Professor, Department of Political Science and Public Administration at UW-L, assesses the integrity of American elections through discussing myths and realities about election laws, voter fraud, gerrymandering, foreign meddling, and related topics. He concludes by discussing how we can strengthen American democracy.

Lunch is served for a free will offering.
