## Youth Mental Health: Let's Talk About It

**November 17 | Noon-1:00pm | Viterbo Fine Arts Center**

with local experts Sara Jackson, Bridget Todd-Robbins, and Brett Knutson

As a precursor to a series of mental health topics that will take place in 2022, three panelists, who have provided support for youth with mental health issues, will discuss the current status of youth mental health and what programs are in place to support them. La Crosse County, La Crosse School District, and non-profits such as the Boys & Girls Club and the YMCA have identified youth mental health as a significant challenge in La Crosse. Our three panelists will engage the audience in discussion.
